What You must know about the Ember Months Prayer Programme

- a. “Life is Spiritual,” it takes those who are spiritually inclined to understand that during the ember months, negative and unfavourable spiritual transactions and occurrences are often ramped up, i.e a sharp increase in amount, intensity and extent. Therefore, we see a lot of mishaps around these periods. Eph 6:12, Hosea 4:6
- b. The objective of this prayer programme is to make the user proactive in their spiritual endeavours and ensure that they are spiritually sensitive and alert in order to avert any spiritual aggression targeted against them. 1 Pet 5:8
- c. To encourage believers not to give up on God and their expectation for divine intervention. It is a fact that the ember months are indications that we are closer to the end of the year than when we began. God is never late, keep trusting and praying, He will pleasantly surprise you in Jesus name. Matt 24:13
- d. To teach and encourage believers to stand on God’s promises and persevere.
Isahia 62:7 and give Him no rest till He establish, and till He make Jerusalem a praise in the earth.
